WORK EXPERIENCE

National Veterinary Associates   **March 2024 - Present**
Digital Experience Intern   *Remote*

- Built and refreshed about 20+ sites on Contentful, 10 of which are currently live.

- Performed 30+ QAs (Content and Functional)) across multiple NVA sites.

- Performed 80+ Pre- and Post- Launches using Google Analytics, Google Tag Manager, Google Search Console, YEXT and StatusCake.

- Performed 50+ edits on multiple NVA sites such as updating content and images, creating forms, and converting PDFs to webpages or forms for accessibility. Contributed to multiple side projects.

- Assisted Pet Resorts team with creating and updating membership and pricing pages.

- ***Website Highlights:*** Bramer Animal Hospital, Chatham-Kent Veterinary Hospitals, Coventry Animal Hospital, Adobe Animal Hospital, SAHO Animal Hospitals, Baccalieu Animal Hospital, Fundy Veterinarians

University of California, Davis   **September 2021 - December 2021**
Undergraduate Tutor, Design 157B Interactive Media II   *Davis, CA*

- Provided feedback to students to help them improve upon their designs and code development as they worked on assignments and projects.

- Assisted students using HTML, CSS, and JavaScript with problems they encountered and features they wanted to implement.

UC Placemaking   **June 2021 - November 2021**
Student Researcher   *Remote*

- Worked with two of my professors, along with three of my fellow classmates on a project for the UC Placemaking Initiative.

- Built the Home Is__ website based on the design specifications and static mocks created by one of my project members.

- Home Is__ project was accepted into the A2RU Conference.

- ***Project:*** Home Is__
